

BECKLEY HALL

BH DN30 - USEFUL EVENTS INFORMATION

Beckley Hall is an ideal venue for events, for example wedding receptions, parties, wakes etc. The parking, access to the playing field area, and to the children's playground, are useful additional benefits. Here is a short list of 'local' companies used to helping hirers.

Equipment hire

Although the hall has glasses and crockery for up to 50 guests, it can accommodate greater numbers up to 120, thus requiring more equipment. Oxford Event Hire is based in Headington and has a large equipment offering, including small gazebos. <https://www.oxfordeventhire.co.uk/> 01865 760158 sales@oxfordeventhire.co.uk

Recommendation from a recent wedding hire

We hired Beckley Village Hall for our wedding party and it was the best venue we could have wished for. Set in a beautiful village within very easy reach of Oxford, the hall's modern architecture makes it a spacious, comfortable and well equipped venue with everything we needed to host a big party. There is a good sized kitchen, spacious changing rooms and well maintained toilet facilities. The hall opens out onto a beautiful public field with a children's play area, tennis court and loads of room for children to run around. The booking system was easy to use and we were promptly supported by email with any queries we had. We were also given ample opportunities to visit the hall for viewings before our event. The hall was clean, comfortable and beautifully light, even when we first viewed it in February. We would highly recommend the venue to anyone!
